

CLAYBROOK NEIGHBORHOOD NEWS
NOV. 2004

LAST TIME THIS YEAR

SATURDAY OCTOBER 30: 8am – 12 noon

The dumpster will be back for the last time in 2004. They will be located at the east end of NE 79th street and at a NEW LOCATION at the intersection of N. Myrtle and NE 78th street. You don't have to store those unwanted items in your basement until spring. We have a special fall pickup just for our area! (Reminder: you may not put branches, leaves, batteries or other hazardous materials in the dumpster)

YOU HELP ME – I HELP YOU

I watch your house for anything unusual happening. Trucks moving furniture, strange cars in your driveway. I get their license#. (I'm aware of what cars belong to your home.) I also watch for garage doors left open, strangers at your door. If you aren't home I will go over and ask them if there is anything I can help them with. (If they are legitimate, they won't mind being asked. If they aren't legitimate, now they know our neighborhood is watching out for each other.) I watch your kids waiting for the school bus in the morning. When they come home I watch to make sure they are safe. Our children need to be aware that they have neighbors who care about their safety.

NOW, I NEED YOUR HELP! PLEASE DO THE SAME FOR MY PROPERTY AND MY FAMILY. IT WILL MAKE CLAYBROOK A SAFE NEIGHBORHOOD FOR US ALL!

IT'S BEEN A LONG SPRING AND SUMMER

The Architectural Control Committee reports this spring and summer have been busy with a high number of fence applications – house painting – landscaping – etc.

We would like to thank these volunteers for an often thankless job well done! Chairman: Jerry Kuncinski. Committee: Mark Macken, Margaret Martinez, Dan Cook and Gary Livingston.

Jerry Kucinski is slated for surgery soon. We wish you a speedy recovery. Our thoughts and prayers are with you.

YOUR VOTE COUNTS!

Tuesday November 2nd is Election Day. Don't forget to get out there and vote. It's your voice, your privilege, your right – and your vote counts!
