

HAPPY VALENTINES DAY!!

Mark your calendar.

Recyclables are to be placed at the curb on February 16th, March 2nd, March 16th, & March 30th.

Presidents Day is February 21st, so the trash pick up will be on February 24th not the 23rd.

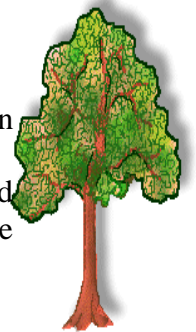

Annual meeting will be held on April 21st from 5pm to 7pm. It will be held in the driveway of Brad & Jill Werth. There address is 7816 N. Norton Court.

We will be voting for two new board of directors. Anyone interested in running for the board or to be on the nominating committee contact Jill Werth.

Tree Fertilization.

This is the best time of the year to fertilize the trees while the grass is dormant and not in competition for the food.

Trees planted in the first phase are now 3 years old and starting to block the street and sidewalks. They are needing trimmed. If you want the boards to take care of the trimming for you, contact Chuck Weber or Mark Rafler.

Email Addresses.

We are currently comprising a list of email addresses of the homeowners in the neighborhood. This list is to be used by the board to contract you in the event of emergencies. If you have an email address and would not mind giving it to us for this purpose please contact Mark Rafler at mrafler@kc.rr.com.
