We will have a dumpster for this brush plus any brush & leaves you clean up this fall from your yard. The dumpster will be located at Reinsch's home. 7804 N Mersington on Saturday, October 31<sup>st</sup>. Leaves must be in bulk or biodegradable bags.

**Presidential Park Update**– First Federal Bank is still the owner of the Subdivision being built to the north of Claybrook.

**Lawns in Our Neighborhood** - Please take note of the yards in our neighborhood that have been well cared for. Thanks to these neighbors for setting a good example. Calls have come in from real estate agents and neighbors reminding us how bad it makes our neighborhood look when we use our front yard as a storage area. Please keep your lawnmowers, trash bins, and recycle bins out of site. Your home is one of your largest investments, be sure and take good care of it.

**Weather Watch** – For the latest weather news check KR & Debbie Dunwoody's blackboard. Rainfall totals for the area are up to date and accurate.
